

**Attention Advertisers, Exhibitors, and Sponsors**

## **SAVE THE DATE**

We invite you to join us by becoming an Illinois PTA Convention Advertiser, Exhibitor, or Sponsor. As we welcome our PTA members to be champions for all children, we hope you can help us to provide valuable resources for our participants, while gaining exposure for your unique opportunities.

Illinois PTA is planning a two-day event filled with programs, presentations, workshops, and exhibits intended to provide our PTA units with the necessary tools to advocate for children and youth. It provides the opportunity for delegates from throughout the state to exchange ideas, enhance skills, and explore many new ideas—a chance to grow personally and to inspire the leaders of tomorrow.

Our 2018 Annual Convention attracts PTA members and their families, teachers, and guests from around the state. We invite you to bring your business/organization to the attention of our attendees while supporting the state's largest child advocacy organization.

Advertisers will be able to reach our PTA Convention attendees as well as our members throughout the state. Exhibitors have an opportunity to personally meet with our delegates for two days at Convention and beyond. Sponsorship donations will be used to provide keynote speakers, materials for the participants, and funding for special events to recognize students and volunteers.

**Exhibitor/Advertiser Packet Available in January 2018**
