Proposed Amendments Received But Not Recommended:

ARTICLE XI—STATE BOARD OF DIRECTORS, Duties, Section 5, b

Strike in its entirety and reletter subsequent sections.

- c. Following the adoption of the Illinois PTA budget by the delegates at the annual convention, the State Board Directors may amend individual line items in the budget as necessary and report all such changes to the membership of the Illinois PTA within thirty (30) days.

Rationale: The fiduciary responsibility for this organization is entirely that of the State Board of Directors. Each year a proposed budget is painstakingly crafted by a board committee and presented to the board for discussion. The budget is analyzed and debated ad nauseam by the board before being presented to the convention delegates. From that point the financial fate of the organization is in the hands of people who have no fiduciary responsibility to the organization and have not been privy to all the debates prior to presentation.
