

ILLINOIS PTA MEMBERSHIP RECOGNITION AND DRAWING PROGRAMS

Illinois PTA will be recognizing PTAs/PTSAs and their results in promoting PTA membership during the 2020-2021 school year. Those PTA's that submit dues by October 1st, December 31st, March 1st, and May 15th will be recognized for their achievements on the Illinois PTA Website under "Membership"; on the Illinois PTA Facebook page; and the Illinois PTA Weekend Update.

Illinois PTA Plan of Work Drawing Program

To enter the Illinois PTA Plan of Work Drawing program you must create and implement a Plan of Work for your PTA. A local unit PTA Membership Plan of Work would include one or two membership goals for the 2020-2021 year such as a member increase, 100% staff membership, match student enrollment, etc. This planning tool will help to assign tasks, manage workflow and track various components and milestone deadlines of your goal(s).
