### National Programs: PTA Connected; Ready, Tech, Go!; and Healthy Minds

See how these National PTA programs could be used, for free, in your PTA community.

PTA Connected provides information and tools your families can use to help balance the time they spend with their devices and help children act safely, responsibly and thoughtfully online.

Ready, Tech, Go! will highlight resources to help your PTA families navigate this important digital safety topic.

Healthy Minds provides programming guidance and materials to help your PTA understand the mental health needs of families, identify relevant resources to share, how to partner with school administration, and how to host PTA's Healthy Minds program for your school community.
